

TECH ► MED 2007

Wednesday May 16, 2007

SFU Vancouver at Harbour Centre (Rooms 1400-1430, Segal Centre)

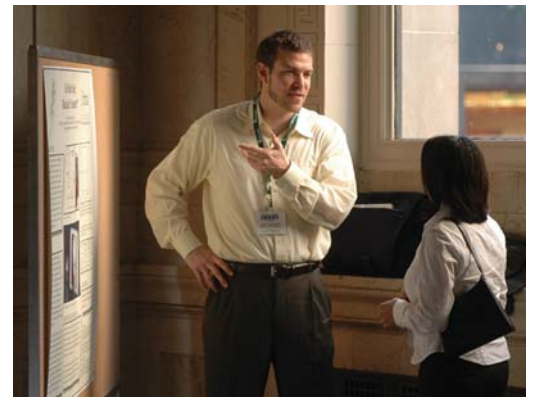

515 West Hastings Street

Event opens at 4:00pm

Canada's Marketplace for Emerging Medical Technologies

TechMed brings together the best of B.C.'s medical technology research community with industry leaders to showcase research and explore collaborative opportunities.

- **Connect** with key people in industry and the research community in B.C.
- **Discover** the latest in medical technology research
- **Explore** partnering and licensing opportunities
- **Interact** with experts in industry and research who have made commercialization happen

Researchers presenting posters at TechMed have the chance to WIN a cash prize and product development coaching from WestLink Innovation Network's medical technology specialists!
